

## **ABOUT THE INSTRUCTOR**

My name is Natalia, I was born and raised in México and moved to Dallas, TX a couple of years ago. My interest in arts started at a very young age. As an only child, I spent most of my spare time creating art at home. I loved creating art, but it wasn't until I got into high school that I decided to take my art to the next level. Over the years, I've completed art courses to achieve an innovative and forward-thinking arts education. I've participated in multiple collective exhibits and in 2018 I had my first solo art show. It was in 2015 when I started my journey as an art instructor. And since then, teaching art has become a major part of my life.
