## The More We Get Together

The more we get together,  
Together, together.

The more we get together  
The happier we'll be.

'Cause your friends are my friends  
And my friends are your friends.

The more we get together  
The happier we'll be.

The more we read together,  
Together, together.

The more we read together  
The happier we'll be.

Read big books and small books  
And short books and tall books.

The more we read together  
The happier we'll be.
